## 2016 WATCHWORD

Christ says, "Abide in me as I abide in you. Just as the branch cannot bear fruit by itself unless it abides in the vine, neither can you unless you abide in me." John 15:4 (NRSV)

## *New Hope Moravian Church*

### ***On This Ground New Hope is Building***

*On this ground new hope is building,  
Here upon this chosen knoll,  
Here Thy church is trusting, yielding  
Every effort, every soul.*

*Bless, O Lord, this congregation  
Come and chart this church's path;  
Give us daily Thy direction  
Fill us with new hope and faith.*

*Standing here, facing our future  
With a new hope overspread  
Cov'ring us with God's own pleasure  
We the Body; Christ the Head.*

*E. Artis Weber (1989)  
Tune: Batty 16A*

The inspiring words of "***On This Ground New Hope is Building***" were written for New Hope's groundbreaking service in 1989 by E. Artis Weber, the wife of our interim pastor at that time, Herbert Weber. This hymn is relevant for us in 2016 as we reflect on New Hope's thirty-three year presence in Catawba County.

On December 12, 1973, eight people met at the home of Wayne and Emily Garrett with the Board of Homeland Missions and made a unanimous commitment to organize a Fellowship. The Homeland Missions record states "this is the first Fellowship where the initiative was taken by local people."

Formally organized as a fellowship in January 1974, the group met weekly at First Presbyterian, Hickory and then Holy Trinity Lutheran until early 1976 when Fellowship members reached a mutual decision to discontinue. This was not considered a failure as a feature of the Fellowship Program provides that a fellowship "can be renewed at any time in the future when the need arises again."

With renewed enthusiasm coming from a new group of displaced Moravians, the Hickory fellowship was reactivated in July, 1980. Meetings were held on Sunday evenings at Holy Trinity Lutheran while members remained active in other congregations. In 1982, as the fellowship grew with Moravian and non-Moravian members, The Rev. Scott Venable was installed as organizing pastor, the name New Hope was selected and Sunday morning services were held at the Seventh Day Adventist Church. Soon after, New Hope was worshipping in its first "home" at the older Bethlehem Lutheran Church, Hickory. "***Bless, O Lord, this congregation, Come and chart this church's path***".

Formally chartered with 44 members on February 13, 1983, "**...Thy church is trusting, yielding every effort, every soul**" and is filled with excitement about opportunities for worship, outreach and family fellowship. Yearly Candle Teas and Christmas Eve Lovefeasts with the community were especially meaningful. Blessed with new members with musical talent, New Hope's music program was launched which continues to thrive 30 years later and brings glory to God and joy to all who hear, sing and play. A strong foundation of lay leadership among the members was established in these formative years as well.

The dream of a permanent building was realized in 1989 with groundbreaking "**upon this chosen knoll.**" Member-based construction crews led by Mark Bumgarner did major work on the building and our beautiful church was consecrated on June 3, 1990. In our new church home and "**with a new hope overspread**" we were more focused on our ministry in the broader Catawba Valley. ECCCM and Corner Table, Hospice, The Family Care Center involvement, our Vacation Bible School and CMO, Scouts, ball teams were each offering opportunities for serving, sharing God's love and raising awareness of who these Moravians are.

Our congregation has been shaped by the combined, unique gifts of the six called and six interim pastors who have served at New Hope. We have been joined together as a church family through our celebrations of worship, weddings, births, graduations, awards, new jobs, fund raising and fellowship as well as the trials of grief, illnesses, family crises and tragedies. In addition, each of us has special memories that define our personal New Hope history.

As we are "**Standing here, facing our future**", Pastor Betty Helms continues to encourage us to commit to serving God more completely in all aspects of our lives and to strengthen our spiritual relationships with our Savior. In our continuing journey, may we remember the timeless words of 1989 "**Give us daily Thy direction, Fill us with new hope and faith**".

Your sister in Christ,

Ann Carr

## The Moravian Cherokee Connection

In 1801, the Moravians sent missionaries to work among the Cherokee at Springplace Mission in north Georgia. When the U.S. government ordered the Cherokee from their home in Georgia to Oklahoma, the Moravian missionaries fought the move. When they were overruled, the missionaries refused to travel with the Cherokee on what has become known as the Trail of Tears because they felt that meant they approved of the plan. Instead they went to Oklahoma ahead of the Cherokee, and established a mission they called New Springplace. The Moravians kept diligent records of their missionary work with Cherokees. Dr. Crews has translated the archaic German script into English so that we may have an account of this history. These records constitute the only known account of daily life in the Cherokee nation.

**New Hope's 33<sup>rd</sup> Anniversary Celebration Gifts**  
**February 21, 2016**

At last year's Anniversary Celebration it was recommended for folks to bring in gift cards for the Church to use instead of specific items. This worked extremely well. Supplies could be purchased as needed instead of having an overabundance of items causing immediate storage problems.

The other advantage of gift cards is that only the supplies that the church really needs are purchased and at the correct time. They include office, kitchen, restroom and cleaning supplies. The businesses that these items are purchased from at the best price are: Office Depo/Max, Sam's, Walmart and Home Depo.

Mark Bumgarner as the Stewardship Chair will continue to be the person to contact if low on something, will monitor supplies and purchase needed items.

Thank you for your continued willingness to show support and love for New Hope!

*Sincerely,*

*The Church Board, Service & Witness Committee, and Stewardship & Commitment Committee.*

**Valentine Making Party**

Mark your calendars for our annual Valentine Party on Saturday, February 13th from 10:00-11:30. We will make valentines for church members and friends. Bring your favorite valentine treat to share. Be sure to invite your friends!

## **Souper Bowl of Caring**

On **February 7th** the Youth, in conjunction with the Service and Witness Committee, will collect money for the Souper Bowl of Caring after worship. All donations will be given to The Corner Table in Newton to help in the fight against hunger.

The Souper Bowl of Caring began in 1990 and has collected \$90 million for local hunger-relief charities. Please help our youth care for the hungry in our area by making a donation to the soup pot.

Thank you  
Service and Witness

Dear New Hope Moravian,

Thank you so much for the gift card. I truly appreciate your kindness and generosity. It's wonderful to receive Christmas gifts and I am truly blessed to receive gifts from you throughout the year as we share, worship and work together for the Lord.

Thank you again and God bless you all.

Your sister in Christ,

***Phyllis Little***

Being the church in the twenty-first century calls us to new challenges and demands greater commitment and understanding of our faith and action. For Moravians, Christianity is grounded in the living experience of faith in Christ, active love for others, and joyful hope. This living relationship with Christ is born and nurtured in local faith communities, in relationship with and in service to one another and the world. This year, we'll explore what it means to "live the essentials!" A day of learning and fellowship, Leadership Focus provides education, information, training, and discussion opportunities for Southern Province Moravians.

## Opening Session featuring the Rev. Dr. Jill Crainshaw "Saving Places; Savoring Graces: Twenty-First Century Communities Living a Grounded Faith"

People encounter God as they live, work, and play in human communities. The "grounded" dimensions of our lives together in church--bread, water, and the fruit of the vine--are vital to our lives together in neighborhoods and cities. How are daily experiences such as cooking, playing, rearing children, and caregiving connected to communal life and worship in Christian congregations? What we do in our life together as church cultivates in us wisdom for responding with Gospel care to local and global problems such as racism, unemployment, hunger, poverty, and homelessness. Dr. Crainshaw explores how we can deepen our experiences of God's grace as it arises from God's good earth and then allow those experiences to energize our work together to sustain the life-giving dimensions of the places where we live, work, and worship.

**Jill Crainshaw** is Blackburn Professor of Worship and Liturgical Theology at the Wake Forest University School of Divinity and is ordained in the Presbyterian Church (U.S.A.). Crainshaw's teaching and writing emphasize "grounded" dimensions of worship and theology. People encounter God as they live, work, and play in human communities and as they work to sustain the health

of communities and the ground upon which communities are built. She is the author of a number of books and articles, co-editor of the Encyclopedia of Religious Controversies in the United States, and blogs at [Patheos.org](http://Patheos.org).

## Workshop Choices (participants may attend two)

**Bread of Life, Bread of Heaven, Bread of Earth (Offered only during Workshop A)** Bread-making is an ancient practice that connects people across history, cultures, and religious beliefs. This workshop explores the liturgical and spiritual significance of bread. How is the bread we break at the Lord's Table is connected to the bread we eat every day? What do our remembrance of Bethlehem ("house of bread") have to do with contemporary concerns about hunger or climate change? What Gospel wisdom do we hold in our hands for baking bread and for encrypting life-giving yeast into our daily lives and communities? *Jill Crainshaw, Wake Forest University School of Divinity.*

### Best Practices for Board Members (A-1, B-1)

This workshop engages first-time and "seasoned" members of church boards in learning and group discussion about "best practices" for meetings, decision-making, board leadership and communication. *The Rev. David Guthrie, President, Provincial Elders Conference.*

**Caring for Our Common Home: A Christian Response to Stewardship of Creation (A-2, B-2)** Pope Francis' Encyclical "Our Common Home" was a call to communities of faith to become good stewards of our Earth. The Moravian Task Force on Environmental Stewardship and North Carolina Interfaith Power and Light will present ideas to help congregations and their members in

their stewardship of Creation. *Henry Fansler, NC Interfaith Power and Light, and Greg Keener, Moravian Task Force on Environmental Stewardship.*

**Church Communication in a New Age (A-3, B-3)**

Is your church effectively sharing the good news and making a difference in today's digital world? Explore ways to use social media tools like Facebook, Instagram, and more to reach your members and others who might respond to your message. Is your website up-to-date? How can you jump-start a communications ministry at your church? Join us and get creative about communicating with excellence! *Mike Riess, Executive Director, Interprovincial Board of Communication and Andrew Cox, Communications Project Manager, Board of Cooperative Ministries.*

**Do What Matters: Faith Formation in the 21st Century**

**(A-4, B-4)** How can church leaders imagine and implement effective faith formation practices for today and for future generations? We'll talk about the cultural changes affecting faith development processes today, we'll explore the process of faith transmission from generation to generation, and discuss how to develop practical plans for innovative ministry approaches that apply the essential faith-forming processes to people of all ages. *Beth Hayes, Director of Congregational Ministries and Resources, Board of Cooperative Ministries. The Revs. Joe Moore and Kelly Moore, Co-Pastors, Fries Memorial.*

**The Essentials for Every Day and Every Sunday (A-5, B-5)**

We talk about "in essentials, unity," but what are the essentials and how do we differentiate between the essentials and those things which are important, but not essential? That's part of what will be discussed in this workshop. We'll also talk about how the essentials can affect our daily lives and our leadership in the church, whether it is preaching and leading worship, teaching Sunday School, or taking out the trash. *The Revs. Aaron Linville (Rural Hall), Matthew Allen (Olivet), and Carol Foltz (Moravia).*

**Learning to Read Music (A-6, B-6)** It's hard to imagine Moravian worship, or Moravian life in community, without music! It's a lot easier to learn new songs and hymns if you can read music, and this workshop will get you started towards a skill that you will enjoy and be proud of for the rest of your life! *The Rev. Nola Knouse, Director, Moravian Music Foundation.*

**Living Faith Small Group Ministry: Mutual Caring by Connecting with Each Other (A-7, B-7)** The life of a congregation is most vibrant when members are in close fellowship with each other and reach out together into the surrounding community. Your church can join in a pilot project which has the potential to bring greater vitality to your congregational life. This effort brings

members together in face-to-face interaction to share their spiritual journeys with each other. They then explore how to care for each other and for others in the community. The workshop will explain how congregations-or groups within congregations-can become involved in this effort. *The Rev. Tim Byerly, Special Project Developer, Board of Cooperative Ministries.*

**Moravian Missions: Bold and New (A-8, B-8)** "To tell the bold, bold story... of Jesus and His love!" The Moravian Church often celebrates the bold mission stories from its distant past. Did you know that this story, and these bold and faithful acts continue today? Come hear about the work of Moravian missions today, and be equipped to take that story with you out the door! *The Rt. Rev. Sam Gray, Director of Intercultural Ministry and New Work, and Justin Rabbach, Director of Mission Engagement, Board of World Mission.*

**Young Adults are Part of the Church . . . What are You Doing about It? (A-9, B-9)** Young adults are a special part of the Body of Christ (the Church), yet in some of our churches there may not be many young adults or the young adults who could be a part of the church are not coming. This workshop will explore how young adults feel about today's Church, what churches offer young adults, what young adults do in our congregations, and what young adults want to see happen in today's Church. This workshop is for young adults (early twenties to mid-thirties) and for those who are interested in young adult ministry in your congregation. *The Rev. Doug Rigbs, Director of Youth, College, and Young Adult Ministry, Board of Cooperative Ministries.*

**Your Essential Guide to Giving (A-10, B-10)** When we are grateful for God's grace and abundant blessings, we are generous in our response to His gifts. Growing grateful and generous leaders is critical in helping churches sustain year-round stewardship ministries. This session will help attendees gain a new perspective on giving at their church and present tools they can use to help members make a faithful response by focusing on grace, generosity and gratitude rather than balancing the budget. *Laura Watson, Director for Faith and Philanthropy, and Chi-Chi Messick, Vice President, Moravian Ministries Foundation of America.*
